

## **3<sup>rd</sup> ITUC - Asia Pacific Regional Conference**

### **Resolution No. 24**

#### **INDONESIA – BAN ON STRIKE**

The 3<sup>rd</sup> ITUC-AP Regional Conference in Kochi, India, on 1 - 3 August, 2015:

**IS DEEPLY CONCERNED** with the Indonesian Government's decree to ban strike in the EPZs and vital industries which will make intervention by the military, paramilitary and police in industrial relations possible; this will promote fear among workers and will allow employers to ignore laws and regulations leading to absence of the rule of law. The ban on strike is a clear violation of the ILO Conventions No. 87 and No. 98 ratified by Indonesia.

**CALLS ON** the Government of Indonesia to respect fundamental human rights regarding freedom to association and expression and fully implement the ILO Conventions No. 87 and No. 98.
